Precious Paws Animal Rescue does not sell animals, nor do we make a profit from placing animals. Our animals are taken from private owners, shelters, etc, given proper veterinary care, spayed/neutered, evaluated for temperament, and then placed in permanent adoptive homes. We ask a \$200 donation adoption fee for all our dogs and \$50 per cat to help defray the costs of medical care for the animals, which averages approximately \$250/dog and \$140/cat.

Precious Paws Animal Rescue reviews the suitability of all applicants and reserves the right to refuse adoption to any party at our discretion. Due to the difficulty in making home visits and transports, we do not adopt beyond a 100 mile radius from Franklin, PA without express written agreement.

Please read and initial each line below. This is a legally enforceable contract; please do not sign if you do not understand it. You may consult with your attorney if you wish before signing. Adoptions are not finalized until references have been checked and an adoption counselor has approved your application.

	<p>I agree to provide the pet daily food and fresh water, shelter from extreme temperature and weather conditions and veterinary care to prevent and treat disease, illness, and injury. I also agree to keep the pet free of parasites (worms, fleas) and will ensure that it is treated in a humane manner at all times.</p>
	<p>I understand that there is a monetary cost associated with pet ownership. In addition to routine vaccinations and screening tests, pets may need veterinary care for treatment of illness or injury. Other costs may include charges for pet registration and licenses, obedience training, pet deposits required by landlords, special devices or equipment, such as fences and dog houses for sheltering the animal, and damage to personal property. I attest that I am both financially able and willing to accept full responsibility for this pet.</p>
	<p>I will take the animal to a veterinarian within 30 days of adoption to establish medical care for my new pet. This includes purchasing heartworm preventative, flea control, booster vaccinations, and pet registration.</p>
	<p>I agree that all future medical treatments are my responsibility, unless PPAR has agreed to pay for them in this contract as indicate herein: _____</p>
	<p>Precious Paws does not necessarily know the nature of the animal or its characteristics, and gives no warranties, expressed or implied of the temperament or fitness. I confirm that I have been provided information on the pet’s current health status, noting any known pre-existing conditions. I understand that the pet is delivered “as is” and no additional liability for this pet, either financial or legal, is provided. I understand that the pet should be isolated for a period of time from my own pets, to the extent possible, in the event that it has been exposed to any type of illness.</p>
	<p>I understand that this pet has social and emotional needs, as well as physical ones. I am prepared and able to devote time and attention to the pet to meet those needs. If I am adopting a cat, I will keep indoors at all times. If I am adopting a dog, I will buy and use a crate if needed and/or advised. The dog will be primarily indoors, interacting with our family, not to be banished to the backyard. I will never tie my dog to a chain or leave him/her unattended for long periods of time. This is a companion animal, not a possession.</p>
	<p>If I decide, for any reason, that I cannot continue to care for the pet, I will notify Precious Paws immediately and arrange for the animal to be placed into the care of Precious Paws. I will not turn it over to an animal shelter, other rescue organization, person or have it destroyed.</p>
	<p>I relieve Precious Paws of all liability and responsibility for damage or injury to persons, property, or other animals caused directly or indirectly by the pet.</p>
	<p>I agree to keep a collar and identification on the pet at all times. If you use a wire crate, care should be used in leaving collars on for a crated animal. Training collars that can tighten on the neck should only be used during training sessions and should never be used when the dog is unsupervised.</p>

	I understand that it is the responsibility of the new owner to see that the animal complies with all health regulations and other applicable ordinances. This includes, but is not limited to, vaccinations to prevent rabies and local pet licensing laws. If you live in Pennsylvania, dogs are required to be licensed annually. Registration forms are available online at http://sites.state.pa.us/PA_Exec/Agriculture/bureaus/dog_law/dog_law_form.pdf . In Venango County, payment should be mailed to Venango County Treasurer, Venango County Courthouse, PO Box 708/1174 Elk Street, Room 230, Franklin, PA 16323.
	I confirm that I am making a long term commitment to the ownership of this pet. Precious Paws has informed me of the animal's estimated current age, and I understand the life expectancy of the pet may exceed 20 years. I understand that changes in my life-style or family composition do not relieve me of my responsibility to the pet.
	I understand that children are not fully capable of caring for a pet and that primary responsibility of the pet rests on the adopter. I will provide appropriate supervision and instruction on proper handling of pets to children in my household.
	I confirm that I am adopting the pet as a personal companion, that it will reside at my primary residence and that I am not acquiring this pet solely for use as a guard animal.
	I agree that the adoption donation of \$_____ is NON-REFUNDABLE even if the animal is returned to Precious Paws, and that Precious Paws is adopting not selling this pet to me.
	I understand that failure to comply with any of the conditions of this agreement constitutes just cause for Precious Paws to revoke the adoption arrangement, and to remove said animal from my ownership and care, at which time full ownership of the pet will revert back to Precious Paws Animal Rescue.
	I agree to pay Precious Paws the sum of \$1000 as liquidated damages in the event the terms of this contract are breached. This liquidated damage value being agreed to for the purpose of establishing value of this pet and does not bar Precious Paws from seeking return of the pet by judicial process or other legal means. I agree to pay all court costs and attorney's fees incurred by Precious Paws if necessary to enforce this contract.

By signing below, I confirm that all information in this application is correct and complete and authorize my landlord and veterinarian to release information confirming this application for verification. Failure to provide accurate information will forfeit my adoption fee and revert ownership of this animal to Precious Paws Animal Rescue.
