

# Spay Neuter Your Pet (SNYP) Spay/Neuter Clinic Surgical Consent Form

Animal's Name: \_\_\_\_\_ Owner's Name: \_\_\_\_\_

Cat Dog Breed/Color: \_\_\_\_\_ Sex: M F Age: \_\_\_\_\_ Feral Cat? Y N

Owner Address: \_\_\_\_\_

Owner Phone: (Number we can reach you **today** should the need to speak to you prior to surgery): \_\_\_\_\_

Is your pet pregnant or in heat? Y N Does your pet have any known health issues/allergies or on any medications? \_\_\_\_\_

	I authorize SNYP to perform the procedures I have elected for my pet. I fully understand that anesthesia, medications, restraint and surgery can be dangerous for my pet and that injury or death may result. I will not hold SNYP, Precious Paws Animal Rescue or any of its agents, contractors, employees, volunteers, or directors liable for any injuries to, vaccination reactions, or death of my pet.
	I understand that my pet should have a wellness exam prior to any surgical procedure to rule out any health problems that could cause complications with anesthesia. SNYP uses only licensed veterinarians, qualified staff and appropriate materials for our procedures. The veterinarian will perform a brief physical exam on your pet; the staff reserves the right to refuse service on any animal when surgery provides an obvious health risk. I understand that post-surgical complications, while rare, may occur during any surgical procedure. I understand that animals who have compromised immune systems, from diseases such as FIP, FIV, Feline Leukemia or Heartworm disease, are in heat or pregnant have higher risks of surgical complications.
	I understand that a Rabies vaccination will be given to my pet if proof of current Rabies vaccination is not provided at the time of check in. I understand that any additional vaccinations I receive may need to be boosted by a veterinarian in 3-4 weeks to provide full protection and that vaccinations may take up to 2 weeks to fully protect my pet. If I do not have or did not produce required proof (certificate, not tags), I authorize SNYP to give my pet State required Rabies vaccine.
	To the best of my knowledge, I know that my pet is healthy, free of infection and contagious disease. If your pet bites someone, you will be responsible for quarantine rules established by the PA Dept of Ag.
	I understand that if live fleas or live worms are found on my pet, I authorize SNYP to use flea preventive or appropriate dewormer and will pay the cost at the time of pickup.
	My pet has fasted and has not consumed food from 8 PM the night before surgery.
	To the best of my knowledge this pet is not already spayed or neutered. If my pet is found to be in heat or pregnant, I understand that the pregnancy will be terminated and an additional \$25 fee will be charged. If the animal is already altered, I understand my surgery fee is non-refundable.
	I understand that my pet needs to wear an e-collar after surgery to prevent infection of the surgical area due to licking of the incision area. We are not responsible for any surgical repairs or restitching required due to my pet's incision getting infected or reopened.
	I understand attempts will be made to contact me at the numbers I have provided above regarding any issues associated with my pet's surgery. If unavailable, I understand the clinic will make the medically appropriate decision. I understand that all animals must be picked up the day of surgery by 6 PM or when I am called by the SNYP staff. If I fail to pick up my animal, I will be responsible for additional charges. Overnight fee is \$25; but we do not offer boarding as there is no staff on premise for post-surgical overnight monitoring.
	I understand SNYP will place a small tattoo on the stomach of my pet at the time of surgery to further identify the animal as having been surgically altered. This tattoo will likely not be visible after the hair grows back over the surgical area. This is mandatory.
	I understand that SNYP will notch the tip of the left ear of feral cats brought in for surgery and receiving the \$45 feral cat rate as per the rules of our grant. This is the universal sign for an altered feral cat. If you do not consent to ear tipping, you will be charged regular prices. The \$45 rate is subject to grant funds availability and may be discontinued at any time when funds are exhausted.
	I understand that it is my responsibility to ask for further information about the nature of the procedures and any complications thereof.
	I authorize Precious Paws to use images of my pets in promotional materials and articles and Client of the Week on social media.

**Services Requested:**

- |   |                   |  |                          |
